

7 STEPS TO A TEXAS APPRAISER LICENSE PROGRAM

1 Take the Required Courses at Champions Appraisal School®

Appraiser Trainee Program (79 hrs)

Courses must be completed before submitting application for approval as an appraiser trainee to TALCB.

- 🕒 **Basic Appraisal Principles** (30 hrs AQE)
- 🕒 **Basic Appraisal Procedures** (30 hrs AQE)
- 🕒 **15-Hour National USPAP Course — Uniform Standards of Professional Appraisal Practice** (15 hrs AQE)
This course must be completed within 24 months of filing your TALCB application. Students must pass with a 74%; re-takes are allowed and can be taken at any campus.
- 🕒 **Texas Appraising for the Supervisor and Trainee** (4 hrs AQE)

It is recommended students purchase and bring an HP 17B or HP 12C calculator with them to class.

Appraiser License Options

If you are currently an appraiser trainee and want to upgrade your license, we offer the courses you'll need.

- 🕒 **Trainee to Licensed Residential Appraiser** — 154 hrs of AQE courses (79 hours + 75 additional hrs)
- 🕒 **Trainee to Certified Residential Appraiser** — 204 hrs of AQE courses (79 hours +125 additional hrs)
- 🕒 **Trainee to Certified General Appraiser** — 304 hrs of AQE courses (79 hours + 225 additional hrs)

If you are currently a licensed residential appraiser or a certified residential appraiser, please visit the website to view the steps and hours needed to upgrade your license.

Courses can be completed during 1000 hour accrual experience.

2 Submit 79 Hours of Education and Appraiser Trainee Application to TALCB

- Submit all education hours and your appraisal trainee application to TALCB.
- Once you have completed the Appraiser Trainee Program's 79 hours, you must submit your education and Application for Approval to TALCB in the "My License" system on TALCB's website at www.talcb.texas.gov.
- Select "Register HERE to set up a user ID and password" and follow the steps to create an account. Once you have created an account, you will apply for a new license. The application fee for an appraiser trainee license is \$250 (plus a \$5 online fee).
- An appraiser trainee applicant must have a sponsoring certified appraiser. The application must be completed and signed by the appraiser trainee applicant AND by each sponsoring certified appraiser.

3 Complete Your 1,000 Hours of Experience Over a Minimum of a 6-Month Period

The TALCB requires that you legally complete 1,000 hours of experience supported by written reports prior to receiving your license. This generally equates to 250–300 residential appraisals. You must be sponsored and supervised by a Certified Appraiser. **1500** hours over a minimum of a 12 month period are required to upgrade to a certified residential appraiser license and **3000** hours over a minimum of 18 months are required to upgrade to a certified general appraiser license. <https://www.talcb.texas.gov/potential-license-holder/appraiser-trainee>

4 Complete Your Qualifying Education

As you undertake your experience hours as an appraisal trainee, you will also complete the required qualifying education courses. To become a licensed residential appraiser, you'll **complete the 75-Hour Licensed Residential Appraiser courses:** Market Analysis and Highest and Best Use, Residential Valuation: Site Valuation and Cost Approach, Residential Valuation: Sales Comparison Approach and Income Approach, and Residential Valuation: Report Writing and Case Studies.

See Appraiser License Upgrades on following page (41) for licensing options. If you are currently a licensed residential appraiser or a certified residential appraiser, please visit the website to view the steps and hours needed to upgrade your license. Courses can be completed during your 1000 hour accrual experience.

5 Submit Your Licensed Residential Appraiser Application to TALCB

Submit completed application, experience log, signed affidavit, and a \$405 application fee (\$400 + \$5 online fee) to TALCB. Note: You must be at least 18 years of age and a legal resident of Texas for at least 60 days before filing your application.

6 Take the Exam Prep Class | Your Key to Passing the State Exam.

Choose a date from the [ChampionsLive](#) Appraisal Prep schedule and complete the course to prepare for the state exam.

7 Take the State Exam at Pearson VUE

- Your state exam will consist of 125 multiple choice questions and you will have 4 hours to complete the exam.
- The cost of the exam is \$55, payable to Pearson VUE. Upon passing the exam, TALCB will charge an \$80 federal registration fee.
- You can make an appointment by calling 800-997-1248 or visiting pearsonvue.com/tx/appraisers.

Congratulations! A licensed residential appraiser is licensed by TALCB and has met the educational, experiential, and testing requirements for licensing. The scope of work includes appraisal of non-complex residential 1-4 unit properties with a transactional value less than \$1,000,000. Licensed residential appraisers also have the authority to complete complex federally-related transactions (FRTs) and non-FRT transactions with a value less than \$400,000.

APPRAISER Q&E COURSE DESCRIPTIONS

79-Hour Trainee Program Courses

2024-2025 15-Hour National USPAP provides critical information regarding the Uniform Standards of Professional Appraisal Practice. The course details ethical standards, explains how USPAP concepts apply to everyday situations, and drives home the importance of impartiality.

Real Estate Appraisal: Principles covers real property concepts and characteristics, legal considerations, value influences, real estate finance, appraisal ethics, and more. With theory, case studies, and examples, this is an essential first step toward mastery of basic appraisal principles.

Real Estate Appraisal: Practices and Procedures expands upon basic appraisal principles and covers appraisal development processes, property data analysis, building processes and construction terminology, the reconciliation process, and an overview of Fannie Mae forms.

Appraising for the Supervisor and Trainee covers many topics, from national appraisal regulatory bodies to the roles and duties of trainees and supervisory appraisers. With a comprehensive overview of appraisal ethics and best practices, this course is replete with crucial concepts.

75-Hour Licensed Residential Appraiser Upgrade Program

Market Analysis and Highest and Best Use delves into market fundamentals, including supply and demand analyses. This comprehensive study encompasses the application of market analysis in evaluating the four tests of highest and best use, also known as test constraints.

Residential Valuation: Site Valuation and Cost Approach covers a broad variety of concepts that build upon basic knowledge, including site analysis and land valuation methods, valuation of improvements, developing the cost approach, estimating depreciation, and reconciling final costs.

Residential Valuation: Sales Comparison Approach and Income Approach encompasses a wide array of topics, including comparable sale selection, data analysis, market value and valuation principles, appraisal calculations, investment properties, and utilizing the “income approach.”

Residential Valuation: Report Writing and Case Studies provides aspiring appraisers with a comprehensive overview of the report-writing process, an essential skill for anyone in the profession. This course covers USPAP compliance, report requirements, addenda and other forms, and more.

Appraisal Exam Prep streamlines the studying process for the National Licensed Residential Real Property exam, covering all essential material and providing online mock exams to aid in preparation. Your enrollment grants a year of free retakes, allowing you to retake the course until you feel fully prepared.
