# WHY TEXAS IS OUR FUTURE!

If you are considering changing to a career in real estate, NOW is the time. Based on the companies moving to Texas, The Research Center at Texas A&M University predicts our economy will continue to grow over the next 10+ years with a boom year possible in 2017. Texas is seeing the most active inflow of population from California, Florida and Louisiana. Don't miss out on the opportunity to launch your career in this economy!

**"It's not an accident that five of the top 20 fastest growing cities in the nation are in Texas."**

- Forbes Magazine

Champions School of Real Estate offers classes for many fields within the real estate industry. Maybe you want to become a residential or commercial real estate agent; perhaps your interest is in the mortgage side of the business and you want to learn how to find money and originate loans for homebuyers. Champions offers the courses you need.

The person hired by the lender to find the value of the property or house is the appraiser. If you like the analytical side of real estate, a career in appraisal could be for you. If you like being outside, setting your own hours and have an interest in home or building construction, the career choice you might consider is home inspection.

While the facts may all be before you, we understand starting a new career can be scary. Champions School of Real Estate counselors know many adults have not been in a classroom setting for years. We not only help you prepare for your new career, we also strive to make you feel welcome and help relieve test stress with our prep courses in each career area of study.

If becoming your own boss is a dream of yours, now is the time to begin that career direction. It doesn't take as much time as you might think.

Our goal is to help you succeed! That goal has allowed Champions to be in business for 30 years and be awarded a '2014 Best Companies to Work for in Texas' by Texas Monthly Magazine, Dallas Business Journal's and Houston Business Journal's 2013 "Best Places to Work" award winner, BBB Excellence in Business honoree in 2013!
