REAL ESTATE QUALIFYING EDUCATION

NEW! INTRODUCTION TO INVESTING IN REAL ESTATE

with Trey Stone | \$30 Per Person Per Session | 6:30 PM - 8 PM

Get a crash course on real estate investing in this 90-minute class taught by **Trey Stone**, expert commercial real estate investor. This class teaches you how to get involved in commercial and residential investing and how to grow your business with investor clients.

Trey has owned 5,789 apartment units and is the President of Stone Private Equity LLC where he and his team buy, renovate, and manage multifamily properties that have exceeded \$336 million in value to date. Trey earned his Finance degree from The University of Texas in 2001, and has taught thousands of students how to reach financial independence by investing in real estate. He has served on the Board of Directors for the Westchase Management District, the Houston Apartment Association, the Texas Apartment Association, and the National Apartment Association.

Sep 20	Wed	Houston North
Oct 18	Wed	Houston West
Nov 15	Wed	ChampionsLive
6:30 PM – 8 PM		

In This 90-Minute Course* the Student Will Learn About:

- How to invest in multi-family, single family, and commercial real estate
- Analyzing metrics to prevent impulsive buying or analysis paralysis
- How to close more deals with real estate investors by teaching them to objectively evaluate properties
- Growing your business with investor clients by offering specialized services
- Helping investors determine maximum offer price for deals using objective criteria
- The potential for increased deal pipelines and repeat customers with investor clients
- Creating a written plan for minimum cash flow, capital gain, and cash return
- Promoting a consultative approach with investor clients, rather than traditional salesmanship
